When it comes to saints, there is no place like Rome. The topic of saints has always been and continues to be of universal interest. The importance of *Rome's Female Saints: A Poetic Pilgrimage to the Eternal City* rests in continuing to tell the stories of those women who have been largely ignored by or lost to history so that readers interested in sainthood, martyrdom, history, biography, poetry, and travel can share in an experience that can continue into the next generation.

Rome's Female Saints is a guided tour of female saints in Rome, Italy. This book provides an engaging experience to be had in Rome or from home. This reading tour not only helps people remember those women in the past who have been martyred or have selflessly served others for their faith in Christ, but this book also encourages readers to be aware of and create solidarity with those who continue to either endure torture and martyrdom or serve the Body in the name of Jesus Christ. Saints covered in this book range from women living during the Apostolic Age such as Saints Anastasia and Basilissa of Rome to more recent saints like Saint Teresa of Calcutta.

This work encourages readers to celebrate the women of God through biography, site information, and poetry. Each saint is catalogued with an entry including several gems: her feast day, a brief biography of the saint's life, the site associated with the saint, the word(s) the Holy Spirit gave the author during prayer at the site, and original poetry praising the saint that includes the God-given word(s). *Rome's Female Saints* is intended for readers who desire a lasting, engaging experience, one that connects them to these unique women of God, as well as their lives, their stories, their relics, and their commitments to Christ.
